Marines:

We have a committee working on various ways for us to use the money we have in reserve. At the same time they are working on a possible trip to Parris Island SC. They have selected a tentative date of 19 September 2014. They are still working on all the details and hope to be able to present them at the July meeting. If you are interested please contact Joe Dodson or Bob Ross and let them know. We need to fill the bus.

The Aux. is planning a Picnic for 16 August 2014. There is a flyer in this newsletter with the details. Please plan on attending.

We had a very successful Awards dinner for our June meeting. I want to send my Congratulations and Thank you to all the members that received awards. I also want to congratulate and thank all those members that help with the various events that might have been overlooked. The awards that were presented were to those members with more than 100 hours of service. For those of you that did not have as many hours, your support is just as valuable. We look forward to having you all continue to support the Detachment in what ever way possible. We are looking for a very productive 2015 FY.
