[We, The Marines](#) is an excellent short film that can be seen on [Netflix](#) if you are able to have access. This was recommended to me by more than one member so I gave it a shot and thoroughly enjoyed it. Following this film on [Netflix](#) another film with several episodes started--- [Medal Of Honor](#). It is a documentary of several MOH recipients and their stories. These were ordinary men and extraordinary acts of Valor. (Suggested by John Bishop)

 It was a great day and it was great to
 hear the kids chant USA USA USA.
 Many of the kids saluted and received
 salutes from our detachment Marines.

Happy Birthday January Marines
